

February 14th at the Saint Francois County Community Partnership:

Ronda Sweeney and Justin Ream from BJC Behavioral Health presented information on the Missouri Balance of Care, Continuum of Care “**Coordinated Entry**” and/or “**Shelter Plus Care Vouchers**” programs. The programs are offered thru BJC and are designed to provide permanent housing and disability support services for people who are both homeless and disabled.

More can be learned about the programs at the following link:
